

Christchurch City Council

Spreydon-Heathcote Ward

Electing 2 Councillors

Karolin POTTER

The People's Choice

My principal place of residence is in the Spreydon-Heathcote Ward area.

I am also standing for the Spreydon/Heathcote Community Board.

As a community board member I have worked for a society inclusive of old and young, new and born Kiwis and equality of opportunity for the rich and poor. I have moved resolutions as a Community Board member that have ranged from access for the disabled, to the environmental issues of building on land that has a high water table, to opposition to gambling, and more.

I work for a rights-based organisation, am on the boards of three community organisations, and am or have been active on many residents, kindergarten, school, after school, housing, children, traffic, worker and peace issues. I want the council to lead a recovery for citizens and not interest groups, employment that lasts, housing for those in need, public transport that is economical and available, and facilities for children, older people and the disabled, including free swimming pools for those under 18.
