

Christchurch City Council Spreydon-Heathcote Community Board Electing 5 Board Members

Paul MCMAHON

The People's Choice - Labour

My principal place of residence is not in the Spreydon-Heathcote Community Board area.

I am also standing for the Canterbury District Health Board.

It has been a great privilege to serve you on the Board from my home in Woolston (1km from the ward boundary), where I live with my wife and our two little boys. I also currently work helping young people to find housing and have previously worked as a community pastor in Waltham, in youth mental health and in voluntary roles in a variety of community organisations.

I have really enjoyed my time on the Board and would be very grateful to be given the opportunity to serve you for another term.

On the Board, I have taken a strong stance supporting the sinking-lid on pokies post-quake, as well as successfully fighting for Christchurch to be declared New Zealand's first Fracking Free Zone.

You can trust me to speak up for those who have no voice, to ask the hard questions, to collaborate and to think outside the square.
