## **6. RESOLUTIONS MADE UNDER THIS BYLAW**

- (1) A resolution may be made under this bylaw -
- (a) to regulate, control or prohibit any matter or thing generally, or for any specific classes of case, or in a particular case; or

### **PART 1**

### **PARKING**

- (1) The Council may by resolution -
- (a) prohibit or restrict the stopping, standing or parking of vehicles, or any class of vehicles, on any road; or
  - (b) limit the stopping, standing or parking of vehicles on any road to any class of vehicles.
- (2) Any prohibition, restriction or limitation may be subject to such conditions as the Council thinks fit.

- (3) A person must not stop, stand or park a vehicle on any road in contravention of a prohibition, restriction or limitation made by the Council.

*Explanatory note: Examples of restrictions include:*

- *prohibiting parking on any roads (“No Stopping”);*
- *prohibiting heavy motor vehicles from parking on roads in residential areas;*
- *prohibiting trailers and motorhomes from parking in certain locations (e.g. next to slipway entrances); and*
- *providing for bus stops, taxi stands and loading zones.*

## **8. PARKING PLACES, PARKING BUILDINGS, TRANSPORT STATIONS AND ZONE PARKING AREAS**

- (1) The Council may by resolution -

- (a) designate an area to be a zone parking area and the restrictions that apply in that zone parking area (“zone parking controls”); and
- (b) reserve any area of land or any road or any part of a road or any building or any part of a building owned or under the care, management or control of the Council to be a parking place or a transport station, subject to restrictions; and
- (c) specify the vehicles or classes of vehicle that can use or must not use a parking place or transport station or zone parking area; and
- (d) prescribe the restrictions that apply including (without limitation) the times, manner and other conditions for the parking of vehicles or classes of vehicles in a parking place or transport station or zone parking area; and

- (a) pay the fee without delay and in the manner so prescribed; and

*Explanatory note: This clause provides for both on-street and off-street parking that is subject to restrictions. Examples of restrictions include prescribing:*

- *the number and location of parking spaces;*
- *when restrictions apply and the length of those restrictions; and*
- *parking charges and the method of payment for those charges.*

*If the Council designates an area as a zone parking area, the parking restrictions in that zone may apply to a number of roads. Parking zones can apply in areas where people using vehicles within the area can reasonably be expected to be aware of the application of the parking restriction to the area, without the need for signs at each intersection within the area.*

## **9. TEMPORARY DISCONTINUANCE OF A PARKING PLACE**

- (1) If an authorised officer is of the opinion that any parking place should be temporarily discontinued as a parking place, the authorised officer may authorise the placement of a sign or other controls that sufficiently indicates "No Stopping" at such parking place.
- (2) If an authorised officer is of the opinion that any parking place should be temporarily discontinued as a parking place, except for the use by specified vehicles or classes of vehicle, the authorised officer may authorise the placement of a sign or other controls that sufficiently reserves parking, stopping or standing provisions for specified vehicles or classes of vehicles at such parking place.

  - (a) stop or park a vehicle at:
    - (i) a parking place affected by a sign or other traffic controls under subclause (1); or

  - (b) remove any signs or traffic controls authorised under subclauses (1) or (2).
- (4) Any sign or traffic control installed under this clause must be removed after a period of three months from installation unless the Council, by resolution, has approved its continued use.

## **10. RESIDENTS' PARKING**

- (1) The Council may by resolution reserve any specified parking place or places as -
  - (a) a residents' only parking area for the exclusive use of persons who reside in the vicinity; or
  - (b) a residents' exemption parking area for the use of persons who reside in the vicinity.

*Explanatory note: residents with a residents' parking permit are exempt from general parking, stopping and standing restrictions in the exemption area, for example a parking place with time restrictions.*

- (2) The Council may by resolution prescribe -
  - (a) any fees to be paid annually or in any other specified manner, for the use of a residents' parking area or a residents' exemption parking area; and
  - (b) the manner by which any such fees may be paid for the use of a residents' parking area or a residents' exemption area; and

- (c) which parking, stopping and standing restrictions permit holders are exempt from within a residents' exemption parking area.
- (3) Any person who parks a vehicle in a residents' only parking area must pay the prescribed residents' parking permit fee and display a current approved residents' parking permit so that it is clearly visible.
- (4) To be exempt from parking restrictions, including parking charges, any person who parks a vehicle in a residents' exemption parking area must pay the prescribed residents' parking permit fee and display a current approved residents' parking permit so that it is clearly visible.

## **11. NO PARKING ON CERTAIN PARTS OF THE ROAD**

- (1) A person must not stop, stand or park a motor vehicle, wholly or partially, on that part of any road which is laid out as a cultivated area, being a garden or grass berm.
- (2) A person must not stop, stand or park, wholly or partially, a motor vehicle on that part of any road which has been separated from the roadway by a kerb that is a paved or other surfaced landscaped area, with or without a planted area, and whether or not it is designed for use by pedestrians.
- (3) A person may stop, stand or park a motor vehicle in contravention of sub-clauses (1) and (2) if-
  - (a) that part of the road is designed and constructed to accommodate a parked vehicle; or
  - (b) an authorised officer has given written permission to stop, stand or park a vehicle in that part of the road; or
  - (c) the Council, by resolution, has allowed motor vehicles to stop, stand, or park in that part of the road.
- (4) Clause 6.2(2) of the Land Transport (Road User) Rule 2004 applies to this clause, and clause 6.2(1) of that Rule does not apply.

*Explanatory Note: This clause still allows a person to stop, stand or park a motor vehicle off the roadway where there is no kerb unless otherwise restricted by signs and/or markings. For example, a person may park a motor vehicle off the roadway on a rural road on the grass verge or on a beachfront area.*

*All resolutions made under this clause by the Council will be recorded in a register which is available to members of the public on request*

- (2) Parking on any road for a continuous period exceeding seven days in sub-clause (1) includes parking on any road within 500 metres of the original parking place, at any time during the seven days.

*Explanatory Note: The restriction on the parking of trailers to a maximum of seven days continuous period is consistent with Rule 6.19 of the Land Transport (Road User) Rule 2004.*

### **13. STORAGE OF VEHICLES ON ROAD**

- (1) No person (**Person A**) may place or park, or allow another person to place or park (**Person B**) a vehicle on any road for storage in connection with Person A's trade or business, whether or not the vehicle is owned by Person A.
- (2) Sub-clause (1) does not apply if Person A has the prior written permission of an authorised officer.

*Explanatory Note: In order to constitute storage in connection with a person's trade or business, there will need to be the notion of "commercial advantage" of some kind. For example if a panel-beater or a mechanic is in the practice of parking their customers' vehicles in the street adjacent to their premises or a car dealer who parks vehicles for sale on the street. This clause is not intended to apply to customers parking on the street while undertaking a transaction at a premises.*

### **14. PARKING FOR DISPLAY OR SALE**

- (2) Any resolution made under this clause may specify the hours or days of the week that a restricted turning movement may be made (if any).
- (3) A person must not turn a vehicle to the left, or to the right, or perform a U-turn, or proceed in any other direction on any road where the Council has prohibited or restricted such movements.

## **18. SPECIAL VEHICLE LANES**

- (1) The Council may by resolution prescribe a road, or a part of a road, as a special vehicle lane.
- (2) Any resolution made under this clause must specify, as the case may be -
  - (a) the type of special vehicle lane; and
  - (b) the hours of operation of the special vehicle lane (if any) when it is restricted to specific classes of vehicles.
- (3) A person must not use a special vehicle lane contrary to any restriction made by the Council under this clause.

*Explanatory note: A special vehicle lane includes a bus, small passenger service vehicle or cycle lane.*

## **19. CONTROL OF VEHICLES ON ROADS**

- (1) The Council may by resolution prohibit or restrict, subject to such conditions as the Council thinks fit, any specified class of traffic or any specified motor vehicles or class of vehicle that, by reason of its size or nature or the nature of the goods carried, is unsuitable for use on any road or roads.
- (2) A person must not use a vehicle on a road, or any part of a road, contrary to a prohibition or restriction made by the Council under this clause.

*Explanatory note: Under this clause, the Council could, for example, prohibit:*

*All resolutions made under this clause by the Council will be recorded in a register which is available on the Council's website*

- (2) Any resolution made under this clause may specify -
  - (a) whether the shared zone may be used by specified classes of vehicles;
  - (b) the days and hours of operation of the shared zone (if they differ from 24 hours per day, 7 days per week); and
  - (c) any other restrictions on how the shared zone is to be used by the public, including how traffic and pedestrians will interact.
- (3) Except where the Council has by resolution specified otherwise, no person may stand or park a vehicle in a road or part of a road specified as a shared zone.
- (4) No person may use a shared zone in a manner that contravenes a restriction made by the Council under this clause.

*Explanatory note: All resolutions made under this clause by the Council will be recorded in a register which is available to members of the public on request*

*Explanatory note: All resolutions made under this clause by the Council will be recorded in a register which is available on the Council's website*

## PART 3

### INTERFERENCE WITH THE ROAD, TRAFFIC, OR PEDESTRIANS

*Explanatory Note: Section 357 of the Local Government Act 1974 provides for a number of offences where a person encroaches on a road or damages a road without permission. For example, a person commits an offence where he or she, without permission, "encroaches on a road by making or erecting any building, fence, ditch, or other obstacle or work of any kind upon, over, or under the road, or by planting any tree or shrub thereon". It is open to the Council to bring enforcement action under this section or use the Council's other enforcement remedies under the Local Government Act 2002.*

#### 23. EVENTS ON OR AFFECTING THE ROAD

- (1) No person may hold an event that affects the normal operating conditions of a road, unless the person has prior written permission of an authorised officer.

*Explanatory note: An event includes major public events (such as the Christchurch Marathon and the Santa Parade), as well as community events (including street parties). Organisers of all events held on or affecting public road need to apply to Council for an Events Permit and supply all necessary information to support an event permit application.*

#### 24. OTHER TEMPORARY USE OF LEGAL ROAD

- (1) No person may carry out a temporary act that affects the normal operating conditions of a road, unless the person has the prior written permission of an authorised officer.

*Explanatory Note: Examples of temporary acts include operating construction equipment or machinery from the road, placing a shipping container/skip on the road; erecting temporary fencing or scaffolding on the road; and temporary art installations. Road within this context includes the footpath, berm, verge, carriageway, etc.*

*In certain cases, a Corridor Access Request (CAR) is required. For example, a CAR is required for digging, drilling, resurfacing, or doing any other activity that will alter, or cause to be altered, the surface of the road corridor. If there is any doubt, submit a CAR prior to carrying out any works or other activity.*

- (2) If any object is placed on the road without permission under this clause or does not comply with the conditions of the permission, the Council may -
  - (a) request the owner to remove the object or repair the damage to the Council's satisfaction within 24 hours or a timeframe set by an authorised officer, or charge the owner for this work; and
  - (b) place adjacent to, or affix to, the object any safety or warning devices, and the costs of the safety or warning device will be charged to the owner of the object.
- (3) This clause does not apply to any object that may be placed on the road which has been authorised by the Council (for example, wheelie bins that are specifically for the purpose of Council rubbish collection).

- (4) This clause does not apply to stock droving or roadside grazing. The Christchurch City Council Stock on Roads Bylaw 2017, or any bylaw passed to replace it, covers stock on roads.

*Explanatory note: All utility operators in legal road are generally covered under the CAR process, including those done during emergency situations. The CAR process reflects requirements in the Utilities Access Act 2010 and the National Code of Practice for Utility Operators' Access to Transport (Code). Where the utility operators occupy the legal road corridor to do their works, it is considered a worksite and an approved Traffic Management Plan is required.*

## **25. VEHICLE CROSSINGS**

- (1) No person may construct or alter any vehicle crossing across a footpath or a road unless the person has the prior written permission of an authorised officer.
- (2) Where the vehicle crossing will be a new crossing and there is a difference in level between the edge of the kerb or road seal on a formed road and the property boundary, then the standard of any works carried out on the road must be the standard that would be appropriate for a right-of-way to a new subdivision.
- (3) Where the vehicle crossing requires a structure on the road (for example a retaining wall, ramp or bridge), the applicant must also comply with the Christchurch City Council Public Places Bylaw 2008, or any bylaw passed to replace it, and any policies made under that bylaw.

*Explanatory Note: By way of example, the Council's Structures on Roads Policy 2010 will be applicable here.*

- (4) The applicant is responsible for all costs associated with the vehicle crossing construction and/or alteration and any other related structures.

## **26. TEMPORARY ACCESS WAYS**

- (1) No person may construct or use a temporary access way across a footpath or a road unless the person has the prior written permission of an authorised officer.
- (2) Where a person is authorised to construct or use a temporary access way, the person must protect the footpath or road to ensure no damage occurs. This protection may be wooden planks 20mm thick plywood with minimum dimensions 1200mm by 2400mm, held and laid close together, steel plates, a combination of wooden and steel materials, or some other approved material.
- (3) Where damage occurs to a footpath or road as a result of a vehicle crossing it on an unprotected or inadequately protected point, the cost of repairing the road, including the footpath, is recoverable from the owner of the property, contractor undertaking the works, or person in charge of the vehicle.

*Explanatory Note: the owner of the property, contractor undertaking the works, or person in charge of the vehicle must notify Council if damage is caused to the footpath. Damage to the road must be repaired to the Council's Construction Standard Specification (Part 6).*

**PART 4**  
**SPEED LIMITS**

**27. SPEED LIMITS**

- (1) For any roads under the Council's jurisdiction in accordance with Section 2.7 of the Speed Limits Rule, or any Rule passed to replace the Speed Limits Rule, the Council may, by resolution -
  - (a) set speed limits;
  - (b) designate urban traffic areas.
- (2) The Council may, by resolution, set speed limits for roads in any designated location under the Council's jurisdiction in accordance with Section 8.1 of the Speed Limits Rule, or any Rule passed to replace the Speed Limits Rule.

*Explanatory Note: Section 2.8 of the Rule requires the Council to maintain a register of speed limits that records all speed limits, except temporary speed limits, and records all designated urban traffic areas for the roads under its jurisdiction. The register of speed limits must be available for inspection by members of the public. The Council's speed limits register including maps showing the designated urban traffic areas can be found on the Council website.*

*In accordance with Section 2.2 of the Rule the Council may set speed limits of 10, 20, 30, 40, 50, 60, 70, 80, 90, 100 or 110 km/h.*

**Part 5**  
**MISCELLANEOUS**

**28. PERMISSIONS UNDER THIS BYLAW**

- (1) The Council may set application fees for permissions under this bylaw and any application for a permission must be accompanied by the relevant application fee (if any).
- (2) An application for permission must be in writing, contain all information necessary for the authorised officer to consider issuing a permit, and be submitted in accordance with applicable Council policy.
- (3) Any permission under this bylaw may –
  - (a) include conditions (including the payment of ongoing fees and charges); and
  - (b) be granted by an authorised officer at the officer's discretion.
- (4) An authorised officer determining an application for permission may require the applicant to provide further information, such as (without limitation) a Traffic Management Plan, site location plan, and a Corridor Access Request.
- (5) The Council may, in its discretion, at any time, review any permission given under this bylaw.

- (6) Any breach of the conditions of a permission granted under this bylaw -
  - (a) may result in the permission being withdrawn (in accordance with the Council's General Bylaw 2008); and
  - (b) is a breach of this bylaw.

## **29. MATERIAL/DEBRIS ON ROADS AND DAMAGE TO ROADS**

- (1) No person may cause damage to the road or to any associated signage.
- (2) Any material or debris deposited on the road must be removed as soon as practicable.
- (3) The Council may give any person who has damaged, or deposited material or debris on a road notice:
  - (a) to remove that material or debris from the road or to repair the damage caused to the road to Council's satisfaction, within 24 hours; and
  - (b) that if the person does not comply, that person commits a further breach of this bylaw and the Council may undertake the work and recover all costs from that person.
- (4) Subclauses (2) and (3) do not apply to faecal matter deposited on the road by stock. The Christchurch City Council Stock on Roads Bylaw 2017, or any bylaw passed to replace it, applies to faecal matter deposited on the road from stock.

*Explanatory Note: Section 357 of the Local Government Act 1974 provides for a number of offences where a person encroaches on a road or damages a road without permission.
