

# **NOTICE OF REMOVAL OF MINIMUM PARKING REQUIREMENTS FROM THE DISTRICT PLAN IN ACCORDANCE WITH SECTION 55 OF THE RESOURCE MANAGEMENT ACT 1991**

We have amended the Christchurch District Plan on 1 April 2025 in accordance with subpart 8, section 3.38 of the National Policy Statement for Urban Development 2020 (last updated May 2022) to remove the built form standard at plan section 14.14.2.11(a) relating to minimum parking standards for community housing, and have changed the heading of this sub-chapter to reflect this deletion.

As required by the Resource Management Act 1991, notice is given in accordance with Section 55(2A)(b). These changes to the District Plan have been made without using the typical process for plan changes defined in Schedule 1. The changes have immediate effect.
