		Transport over Open Space Water and Margins Zone and Waterways						
	All new roads are deemed to be part of the Transport Zone, from the date of vesting in Council or Crown. When roads are legally stopped and any relevant designations removed they are deemed to be subject to the provisions of the adjoining zone(s).							
The District boundary is as defined in the Resource Management Act, which uses the definition from the Local Government Act. The line on these maps representing the District boundary is indicative and for information purposes only. The actual boundary is as defined in the legislation. Determining rights and obligations under the District Plan where the District boundary is relevant may require a formal survey.								
The District Plan planning maps are at a scale of 1:10000 and 1:50000. Use at any other scale than specified on each map is for information purposes only, and does not form part of the District Plan.								
For information, acknowledgements and disclaimers relating to external data sources used in the planning maps please see the Data Sources page: https://ccc.govt.nz/the-council/plans-strategies-policies-and-by-laws/plans/christchurch-district-plan/additional-information/data-sources/

Information Only								
District Boundary								
Lyttelton Tunnel Road								
Summit Road Protection Act Overlay								

The cadastre and coastline shown on the planning maps is not part of the information in the District Plan. It has been provided on the planning maps as an additional function to enhance navigability and search capability. District Plan rules do not apply for overlays extending into the Coastal/Marine Area. The Coastal/Marine Area is as defined in the Resource Management Act. The cadastre was based on the most recent information held by the Council at the date the map was produced. Establishing compliance or otherwise with the plan may require a formal survey.

The District boundary is as defined in the Resource Management Act, which uses the definition from the Local Government Act. The line on these maps representing the District boundary is indicative and for information purposes only. The actual boundary is as defined in the legislation. Determining rights and obligations under the District Plan where the District boundary is relevant may require a formal survey.

The District Plan planning maps are at a scale of 1:10000 and 1:50000. Use at any other scale than specified on each map is for information purposes only, and does not form part of the District Plan.

Proposed Land Use Zones (New)

CCZ	City centre zone
CCMU(SF)	Central City Mixed Use Zone (South Frame)
CCMUZ	Central City Mixed Use Zone
MUZ	Mixed use zone
TCZ	Town centre zone
LCZ	Local centre zone
NCZ	Neighbourhood centre zone
LFRZ	Large format retail zone
HRZ	High density residential zone
MRZ	Medium density residential zone
LLRZ	Large lot residential zone
FUZ	Future Urban Zone
RSDT	Residential Suburban Density Transition

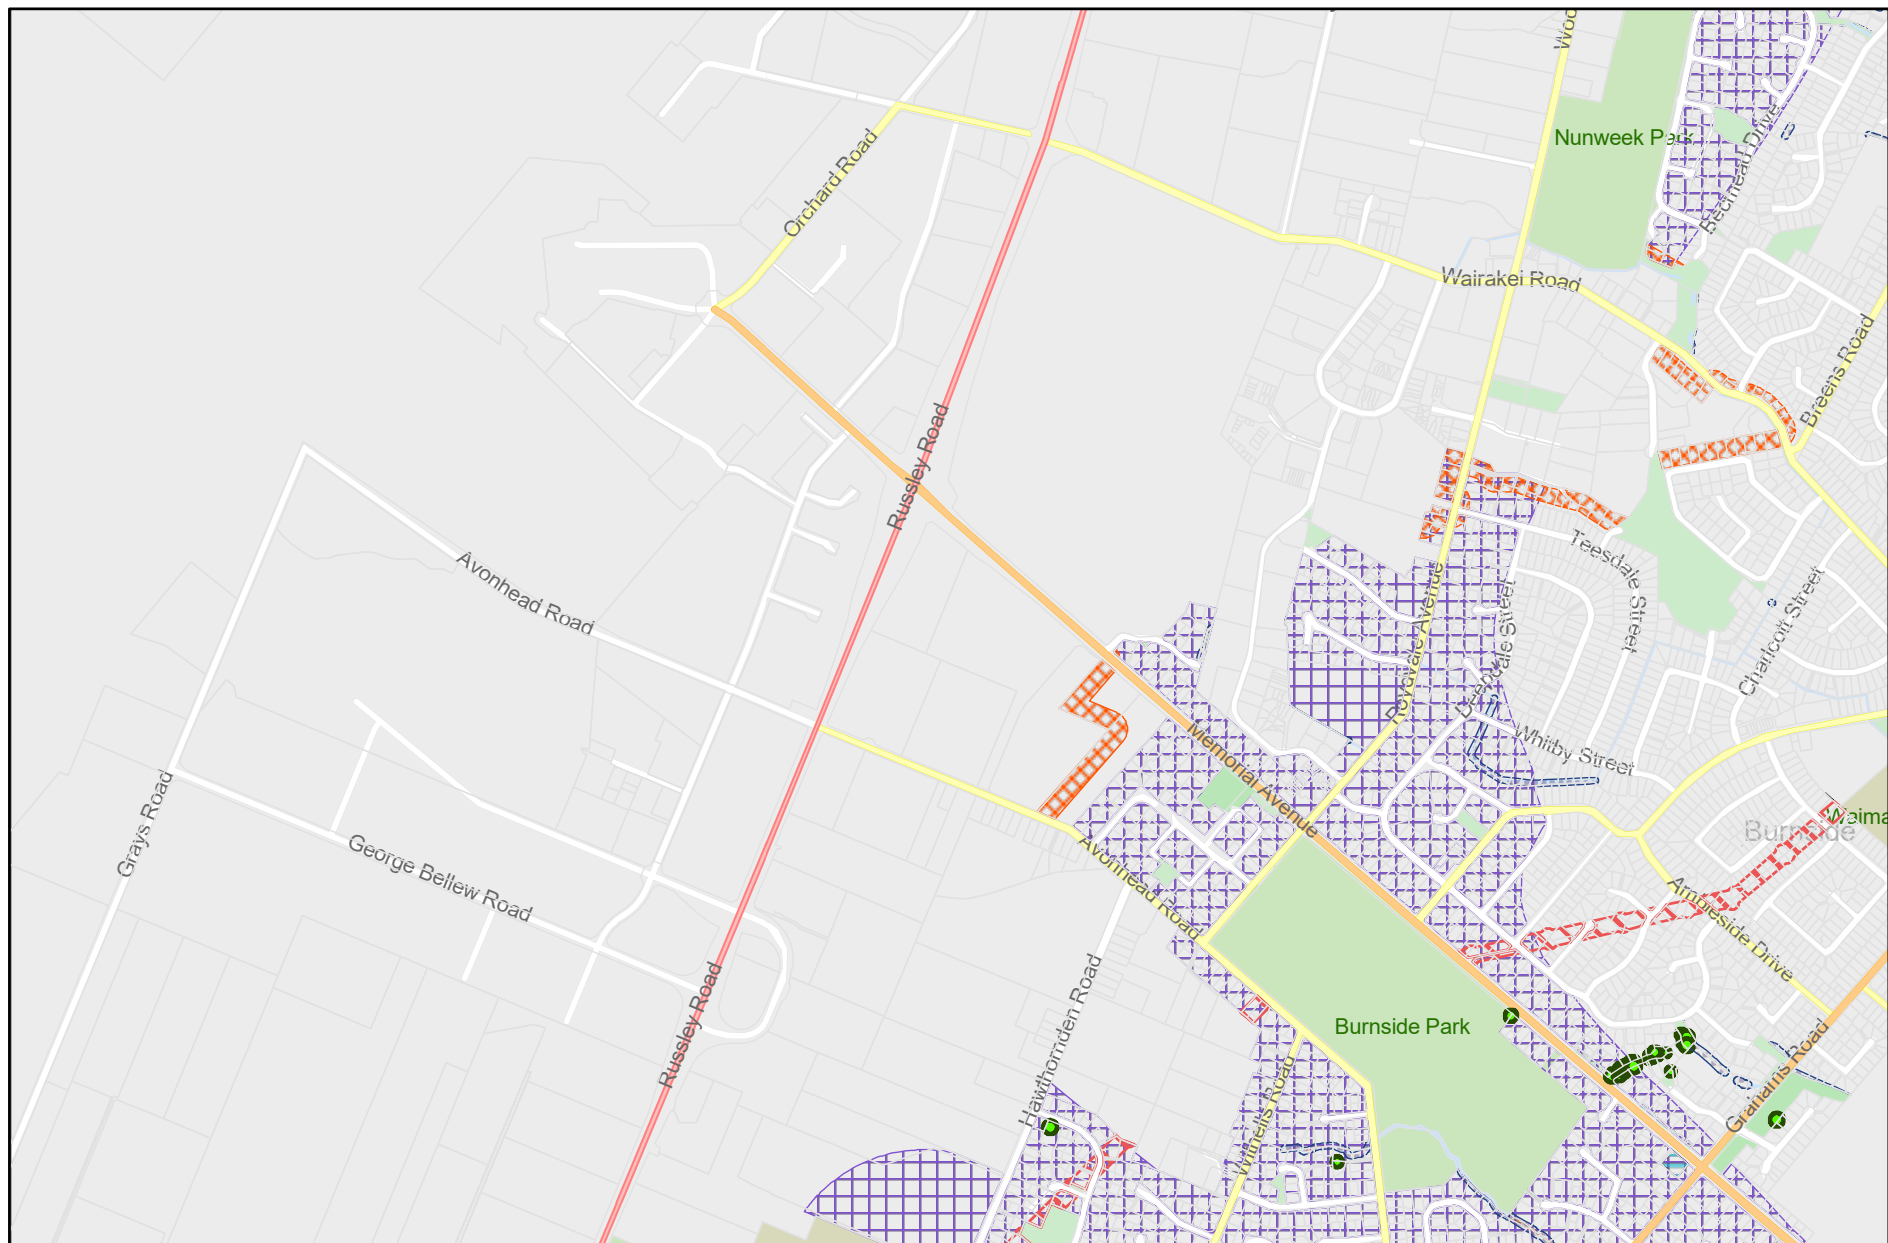

Proposed Precincts (New)

	Cathedral Square and Victoria Street Precinct
	New Regent Street Height Precinct
	Art Centre Height Precinct
	Town Centre Intensification Precinct
	Large Local Centre Intensification Precinct
	Local Centre Intensification Precinct
	Brownfield Precinct
	Residential Mixed Density Precinct 86 Bridle Path Road
	Residential Mixed Density Precinct Redmund Spur
	Comprehensive Housing Precinct
	High Density Residential Precinct
	Residential Hills Precinct
	Rural Hamlet Precinct

Proposed Character Areas (New)

CA	Residential Character Area

LEGEND BELOW

Planning Map Series A - Zones, Other Notations, Designations and Heritage Orders

-  Airport Noise Influence Area - proposed
-  Designation - existing
-  Lyttelton Port Influence Area - existing
-  Residential Character Area - existing and proposed

CA4 - Beckenham Loop Character Area - existing and proposed
 CA3 - Cashmere Character Area- existing and proposed
 CA14 - Dudley Character Area- existing and proposed
 CA15 - Englefield Character Area- existing and proposed
 CA13 - Francis Character Area- existing and proposed
 CA7 - Heaton Character Area- existing and proposed
 CA11 - Malvern Character Area- existing and proposed
 CA10 - Massey Character Area- existing and proposed
 CA6 - Piko Character Area- existing and proposed
 CA9 - Ranfurly Character Area- existing and proposed
 CA12 - Severn Character Area- existing and proposed
 CA5 - Tainui Character Area- existing and proposed
 CA19 - Bewdley Character Area- proposed
 CA21 - Roker/Penrith Character Area- proposed
 CA22 - Ryan Character Area- proposed

-  Waste Water Constraint Area - proposed
-  Radio Communication Pathway - proposed
-  Railway Building Setback - existing
-  Electricity Transmission Corridors and Infrastructure - existing and proposed
 - 220kV National Grid
 - 110kV National Grid
 - 66kV National Grid
 - 66kV Electricity Distribution Lines
 - 33kV Electricity Distribution Lines
 - 11kV Heathcote to Lyttelton Electricity Distribution Lines

Planning Map Series B - Natural Hazards and Water Bodies

-  Slope Hazard - existing
 - Cliff Collapse Management Area 1 - existing
 - Cliff Collapse Management Area 2 - existing
 - Rockfall Management Area 1 - existing
 - Rockfall Management Area 2 - existing
 - Mass Movement Management Area 1 - existing

-  High Floodplain Hazard Management Area - existing
-  Flood Ponding Management Area - existing
-  Coastal Hazard High Risk Management Area - proposed
-  Coastal Hazard Medium Risk Management Area - proposed
-  Waterbody Setback - existing
 - Environmental Asset Standing Water Body
 - Downstream Waterway
 - Downstream Waterway (Mona Vale)
 - Upstream Waterway
 - Environmental Asset Waterway

Planning Map Series C - Natural and Cultural Heritage

-  Significant and other Trees - existing and proposed
 - Significant Individual Trees
 - Significant Group of Trees

-  Heritage Setting - existing
-  Heritage Item - existing
-  Heritage Setting - proposed
-  Heritage Item - proposed
-  Cathedral Square Height - proposed
-  Victoria Street Height - proposed
-  New Regent Street Height - proposed
-  Central City Heritage Interface - proposed
-  Arts Centre Height - proposed
-  Riccarton Bush Interface Area - proposed
-  Residential Heritage Area - proposed
 - HA2 - Chester Street/Dawson Street Residential Heritage Area
 - HA3 - Church Property Trustees North St Albans Residential Heritage Area
 - HA4 - Englefield Avonville Residential Heritage Area
 - HA5 - Heaton Street Residential Heritage Area
 - HA6 - Inner City West Residential Heritage Area
 - HA7 - Lyttelton Residential Heritage Area
 - HA7 - Macmillan Avenue Residential Heritage Area
 - HA9 - Piko/Shand (Riccarton Block) State Housing Residential Heritage Area
 - HA10 - RNZAF Station Wigram Staff Housing Residential Heritage Area
 - HA11 - Shelley/Forbes Street Residential Heritage Area
 - HA12 - Wayside Avenue 'Parade of Homes' Residential Heritage Area

-  Residential Heritage Area Interface - proposed
-  Sites of Ecological Significance - existing
-  Outstanding Nature Features and Landscapes - existing
-  Sites of Cultural Significance - existing
 - Wāhi Tapu/Wahi Taonga
 - Silent Files
 - Ngā Tūrangā Tūpuna
 - Ngā Wai
-  Styx River Setback - existing
-  City Spine Transport Corridor - proposed
-  Industrial Interface - proposed
-  Low Public Transport Accessibility Area - proposed
-  Tsunami Management Area - proposed

The District boundary is as defined in the Resource Management Act, which uses the definition from the Local Government Act. The line on these maps representing the District boundary is indicative and for information purposes only. The actual boundary is as defined in the legislation. Determining rights and obligations under the District Plan where the District boundary is relevant may require a formal survey.

The District Plan planning maps are at a scale of 1:10000. Use at any other scale than specified on each map is for information purposes only, and does not form part of the District Plan.
