Project managers, engineers and STMS's

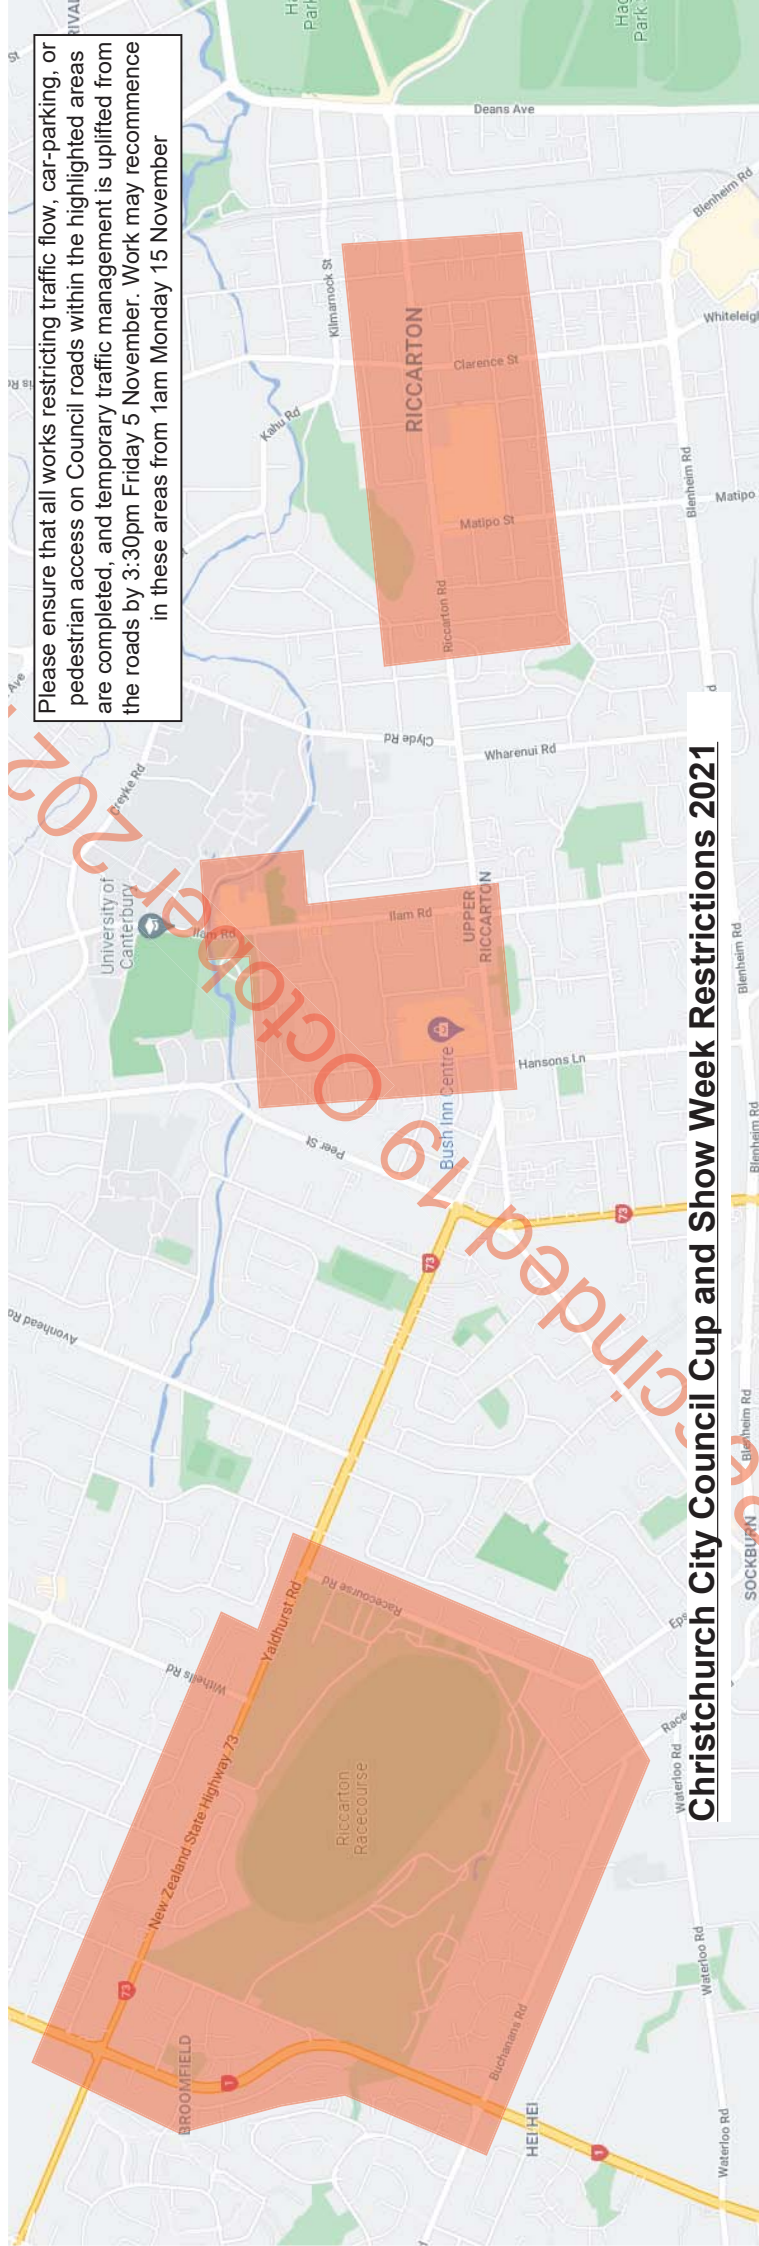

- Please ensure all works restricting traffic flow, car-parking, or pedestrian access in the highlighted areas of the maps are completed, and temporary traffic management (TTM) is uplifted from the roads wherever practicable by 3.30pm Friday 5 November 2021.
- If not practicable to fully uplift the TTM, impacts must be minimised as much as possible.
- Normal traffic management may recommence in these areas from 1am Monday 15 November 2021.
- TMPs that enable works of strategic importance will be considered on an exception basis during this period. Please contact a Traffic Management Coordinator to discuss specific project details by 5pm Fri 22 October 2021 if you wish to seek exemptions.
